# ABHINAV YADAV

## JUNIOR WEB DEVELOPER

## PROFESSIONAL SUMMARY

I am an enthusiastic Junior Web Developer with **3 month of Internship** in Web Development. I am a quick learner with excellent knowledge of **HTML, CSS, JavaScript, Python** and other web-related technologies. My biggest achievement is the successful development of a website . My best qualities include strong attention to detail, creative problem solving and excellent communication skills. I am highly organized and efficient, which enables me to work on multiple projects simultaneously. I take pride in my ability to build customer relationships and ensure complete satisfaction with the end product.
